PRESS RELEASE

Education Ministry Advances Career Counselling Through Innovative Digital and Print Resources

The Department of School Education and Literacy (DoSE&L), under the Ministry of Education, Government of India is organizing a “National Capacity Building Workshop on the *Career Guide Book of 500 Career Cards and My Career Advisor App*” at Kaushal Bhawan Auditorium, New Delhi on 30th October 2025. The workshop aims to strengthen career guidance and counselling systems across schools in India, empowering educators, teachers and schools counsellors with innovative tools for student career guidance and counselling.

The workshop will be inaugurated by Shri Sanjay Kumar, Secretary, DoSE&L, Ministry of Education, Govt. of India in the presence of Prof. Dinesh Prasad Saklani, Director, NCERT and other dignitaries and experts.

The highlights of the workshop include a presentation on best practices in career guidance at the State/UT level showcasing innovative models and success stories from across the country, presentation on key features and benefits of the Career Guide Book of 500 Career Cards developed by UNICEF and PSS Central Institute of Vocational Education (PSSCIVE), NCERT My Career Advisor App developed in collaboration with Wadhvani Foundation and "TAMANNA" Aptitude Test developed by NCERT.

Around 200 representatives from various Ministries, national-level organizations, State/UT education departments, teacher education and research institutes, district education institutes, government and model schools from all over the country will be participating in the National Workshop.
