

**Working Group Meeting on Review and Finalization of Curriculum and
Textbook of “Draughtsman - Civil”
(September 8-12, 2025)**

A Five-day Working Group Meeting (WGM) was held from 8-12 September 2025 at the Department of Engineering and Technology, PSSCIVE, Bhopal, to review and finalize the curriculum and textbook of Draughtsman - Civil (Grades 11-12).

The meeting brought together experts including Er. Shaiwesh Singh, Founder & Proprietor M/s Pushpa Infra Developer, Bhopal. Dr. Saurabh Prakash welcomed the guests, while Dr. Vinod Kumar Yadav, Associate Professor, Department of Engineering and Technology, PSSCIVE, Bhopal, presented the initial draft of the curriculum and textbook of Draughtsman - Civil. Mr. Virendra Jain, Senior Research Associate, Department of Engineering and Technology, PSSCIVE, Bhopal, contributed in organising the meeting.

Discussions focused on aligning the curriculum with the latest developments in the civil construction sector, emphasizing competency-based learning and practical applications such as building drawing, structural detailing, surveying techniques, estimation, and use of CAD (Computer-Aided Design) tools. Special emphasis was placed on accuracy in drafting, interpretation of construction drawings, and application of modern surveying instruments, enabling learners to prepare, read, and analyse civil engineering drawings effectively.

Dr. Deepak Paliwal, Joint Director, expressed gratitude to experts.

The meeting was coordinated by Dr. Vinod Kumar Yadav.
